

AMNA SAQLAIN

FRONTEND DEVELOPER | INTERN

📍 Islamabad

✉ amnasaqlain5436@gmail.com

SUMMARY

Dedicated and detail-oriented Software Engineering student with a strong academic background and practical experience through self-initiated projects. Demonstrates a clear understanding of software development principles and a commitment to continuous learning. Eager to apply problemsolving abilities and technical skills in real-world environments.

PROJECTS

Portfolio Website

- Built a fully responsive personal portfolio using React and Tailwind CSS
- Showcases skills, resume, and GitHub projects
- Deployed on Netlify

Task Tracker App

- A simple task management app built with React, storing data in browser localStorage
- Features add/delete/update tasks and status filters

Blog UI (Frontend Only)

- Created a modern blog layout using HTML, CSS Grid, and JavaScript
- Includes post previews, dark/light mode toggle
